Health
Benefits & Services

Health Care Benefits

Veterans of combat operations during a period of war after November 11, 1998 are eligible for hospital care, medical services, and nursing home care for a period of five years from their date of discharge.

Health Care Benefits

- To receive health care, veterans generally must be enrolled with the VA.
- You do not have to be enrolled if you
  - want care for a disability the military determined to be incurred in the svc but not yet rated by the VA (within 12 mos of discharge.)
  - want care for SC disability only.

Health Care Benefits
